

New Software Release Ford® Ranger ID8C Code Word Reading ADS2275 - Code D753074AD

August 2018

Advanced Diagnostics is pleased to announce the release of a new code word reading software ADS2275 for Ford® Ranger and Mazda® BT50 available on Smart Pro only.

What does the software do?

Smart Pro will display the vehicle key data on screen via OBD, that can be used to clone / generate a new transponder so the vehicle can be started. The software diagnostically reads the vehicle specific code word which is required to perform the manual key learning procedure.

What else will I need?

Smart Pro only
